Our high school years have proven themselves to be outstanding factors in realizing our place in society. Co-operation among mankind will prove to be the greatest instrument of peace and understanding. Let us take the knowledge we have acquired and use it to the fullest extent that we may pave the way for greater understanding in future generations.

Each year we of the annual staff eagerly await the dedicating of our yearbook to a teacher who fully deserves our recognition and respect. To us, this accurately describes Mrs. Earlene Beck, who for nineteen years service has proven her abilities as an outstanding instructor.

After graduating from Central Highschool, she then attended Central State College at Edmond where she received her Bachelor of Arts degree. She entered the University of Oklahoma and secured a Masters degree in Education. She also had the wonderful experience of studying at the University of Mexico in Mexico City.

Mrs. Beck obtained majors in Latin, Spanish, physical education and elementary education — a total of four majors which is unusual and quite an accomplishment. She has taught a variety of subjects in highschool for a period of sixteen years and also was a teacher in the elementary grades for three years. As sponsor of the Student Council and the Junior Classical League, both very active organizations, her untiring efforts are well rewarded by the accomplishments of these groups.

It is with great pleasure and deepest admiration that we formally dedicate this, our 1961-62 Treasure Chest, to Mrs. Earlene Beck.

ADMINISTRATION

Many years of education and experience qualify Mr. D. D. Kirkland for the very difficult, and often unheralded, task before him — that of co-ordinating the education of eight thousand young people. Although Mr. Kirkland has many subordinates who relieve him of numerous duties, the final responsibility lies with him.

The highschool includes but a portion of his responsibilities, but he is ever aware of our needs and problems. The student body realizes this and respects the great amount of effort put forth by Mr. Kirkland to make Putnam City High School a worthy educational institution.

Through his twelve years as our Superintendent of Schools, Mr. Kirkland has seen Putnam City grow — academically, athletically, and physically — and he has grown with us. Today he is recognized as one of the outstanding administrators in Oklahoma.

The office of assistant superintendent has been very capable of the many responsibilities and duties that appointed to this position, he has proven himself capable of the many responsibilities and duties that the job entails. He is the co-ordinator of all the Putnam City cafeterias and works very closely with the building and grounds crew.

Previously he taught at the highschool, and was for two years principal of the intermediate grades and director of transportation.

We wish to congratulate Mr. Caviness on his new appointment and know that he will perform his duties with competence.

New to the position of assistant principal is Mr. B. J. Nichols. He has proved valuable while working with Mr. Mayfield in the administration of the school's program, and has gained the respect and friendship of the student body.

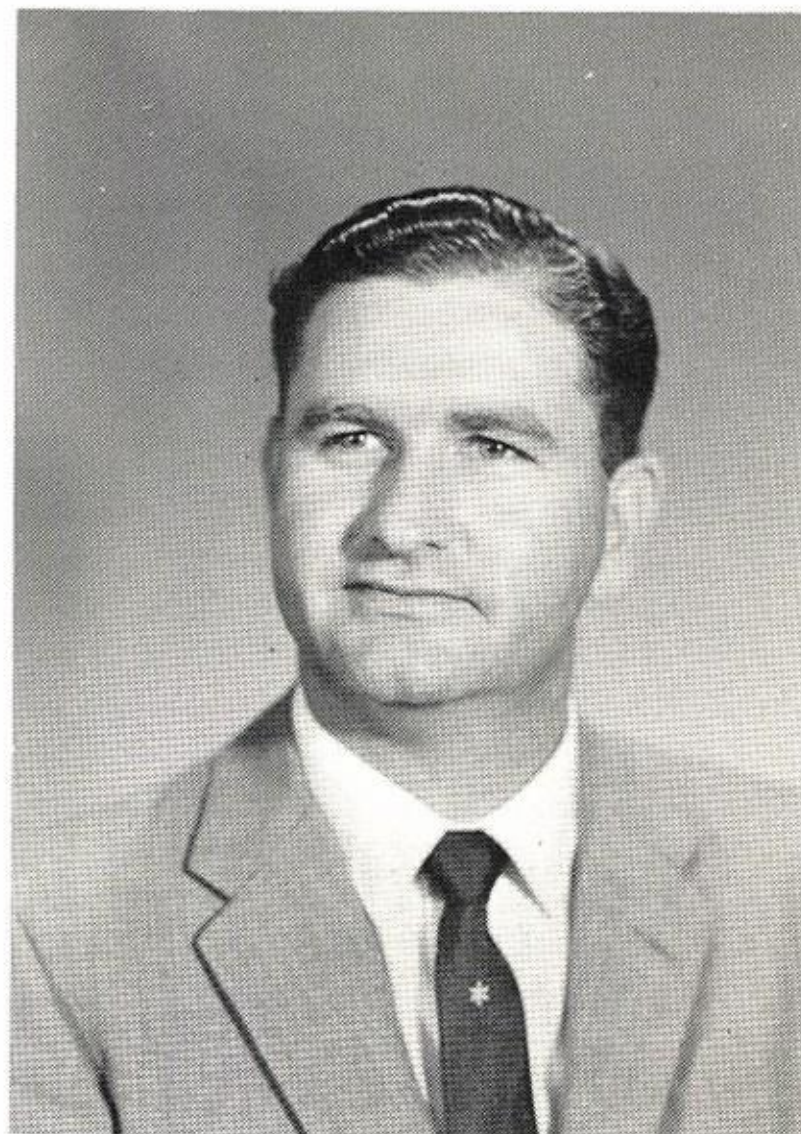

Although fairly new to Putnam City School system, he has become an important part of our traditionally progressive educational system and his efficiency has been fully appreciated by the faculty and the students.

Putnam City High School has made outstanding progress under the supervision and direction of Mr. Leo Mayfield. His many years of service have been of great benefit, not only to the school but to the community as well. His understanding of the many small problems as well as larger ones has helped to keep the school running smoothly through the years.

The school's rapid progress has found Mr. Mayfield's time and attention in almost constant demand. However this does not seem to effect his good nature and efficiency.

The students are proud of the administration's interest concerning school events. Mr. Mayfield has proved to be a leader in this as is shown by his active participation in all school functions.

All in all Putnam City High School is proud of its principal who has played a great part in keeping our school an example of progress and prosperity.

COUNSELORS

Mr. Hugh Coonfield has the responsibility of counseling the senior class and the junior boys. He aids them in their preparation and selection of colleges and future vocations. Another duty of the counselors is the administering and interpreting of all the school's testing programs.

Mrs. Juanita Kidd is well acquainted with the work of a highschool counselor. Upon her falls the responsibility of counseling the entire sophomore class and the junior girls. She also works on the testing programs, and enrolls the new sophomore and junior girls. We wish to congratulate all the counselors for the fine work they have done this year.

A new personality in Putnam City High School this year is the freshman counselor, Mr. Rounsaville. This is the first year that there has been a single counselor for the freshmen. Also this was his first year counseling, and he has proved himself very competent. He assists these students in becoming familiar with the highschool curriculum, and helps them with personal problems.

Mr. Bill Garis

Much credit and many thanks go to our School Board for all the fine work they do. The six-member board administers school funds and serves as a governing body for the administration. Much unnoticed hard work goes into the functioning of the group of citizens. We are very grateful for the thoughtful consideration given by the board to all actions they take concerning the high school, and we wish to compliment them on the fine contribution they make in the progressive program of the school.

CLASSROOMS

The library, after being expanded in size and number of volumes, provides even more information to help students with their schoolwork and outside reading.

Getting plenty of exercise with a rousing game of volleyball are these energetic P. E. girls.

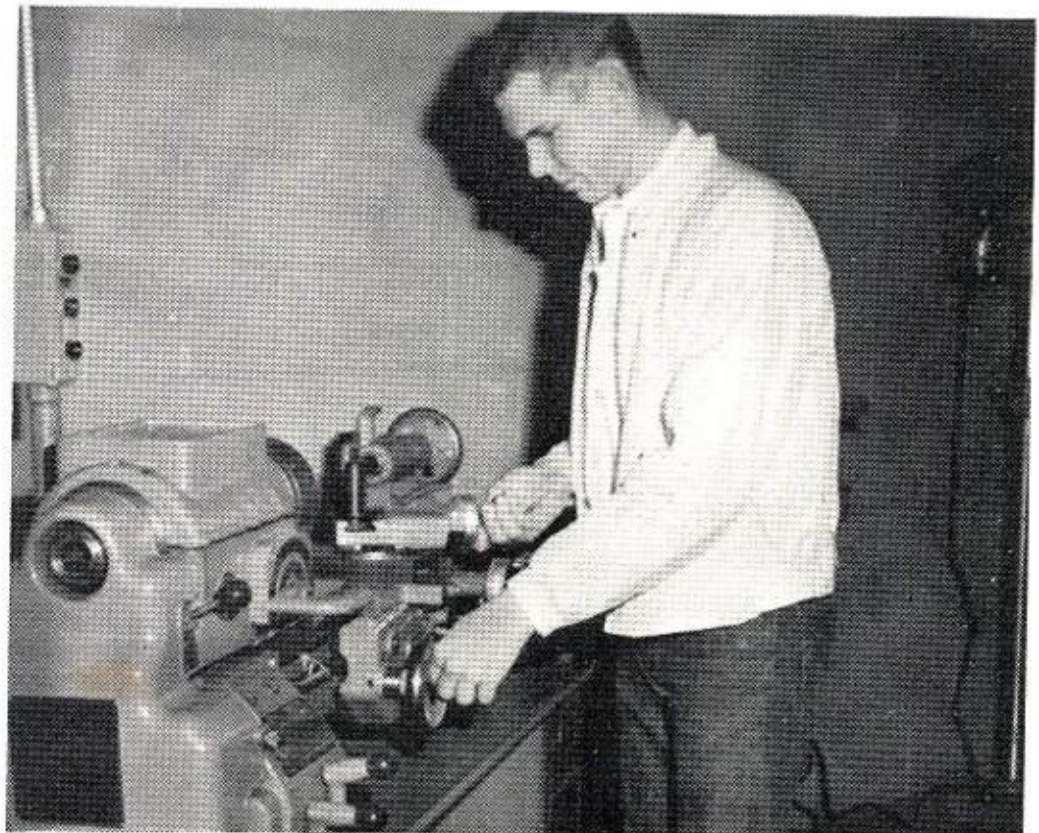

The new counselor's office provides much information to help freshmen plan their careers.

Preparing for another day of education in driving are these nervous students.

CLASSES EXHIBIT GROWTH

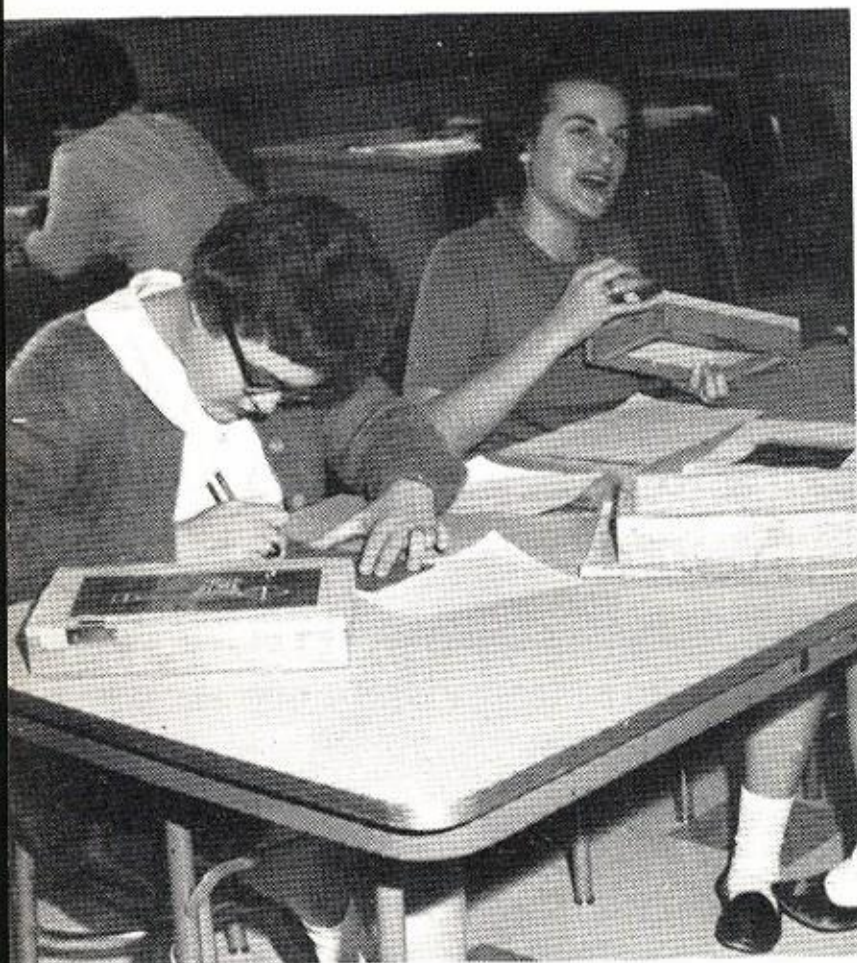

A school's worth is really evaluated in its academic quality and growth. In this, Putnam excels, for it is noted as one of the outstanding schools in the state. But we do not rest on our laurels. The school facilities are always growing. With 700 new books in the library, 2 new typing rooms, 2 new science rooms, a new journalism room, and new audio-visual facilities, the capacity for education at Putnam City has been further increased.

The new metalworking class provides an opportunity for students to prepare for a vocation in that field. Here a student uses the new metal press.

A sure and steady hand is necessary to produce a skilled wood craftsman. In this shot Jerry Koester develops his art with a table leg.

EDUCATION IS EXCITING

Finding troubles in grease and grime is the job of these hard-working auto-mechanic students.

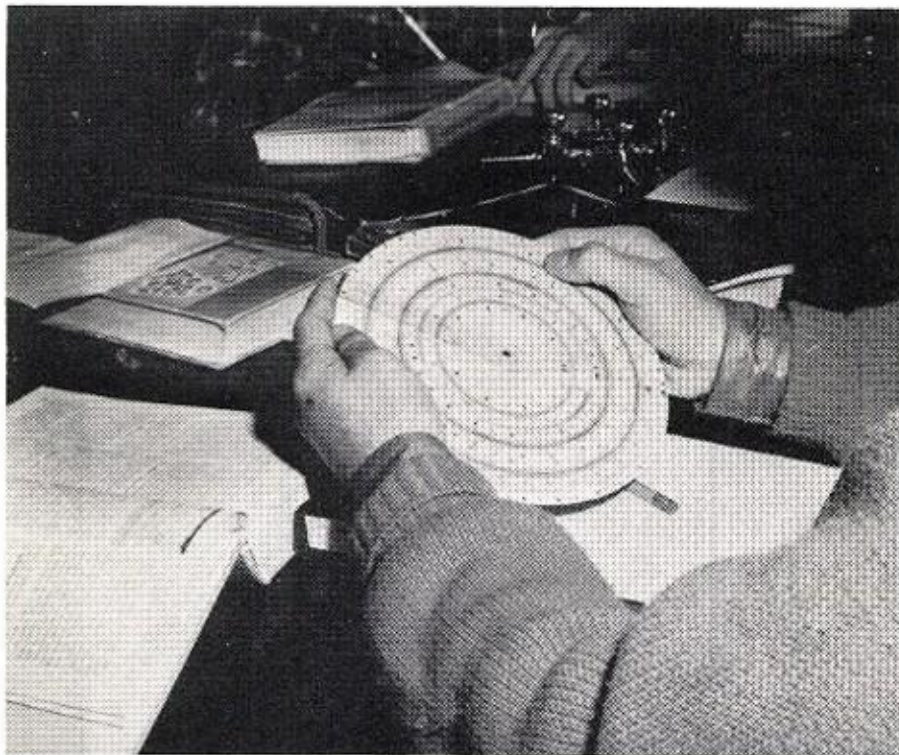

Creating a masterpiece in art and thoroughly enjoying it are these two skillful students.

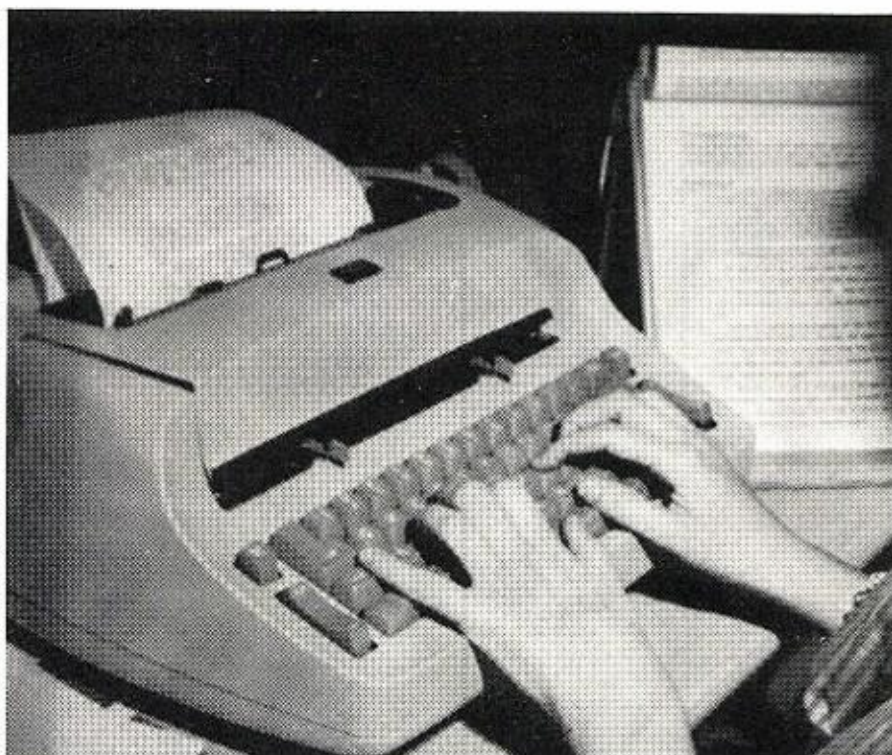

One of the many new facets to our highschool this year is the lunch line in the cafeteria which serves, among other foods, sandwiches, salads, ice cream and pie.

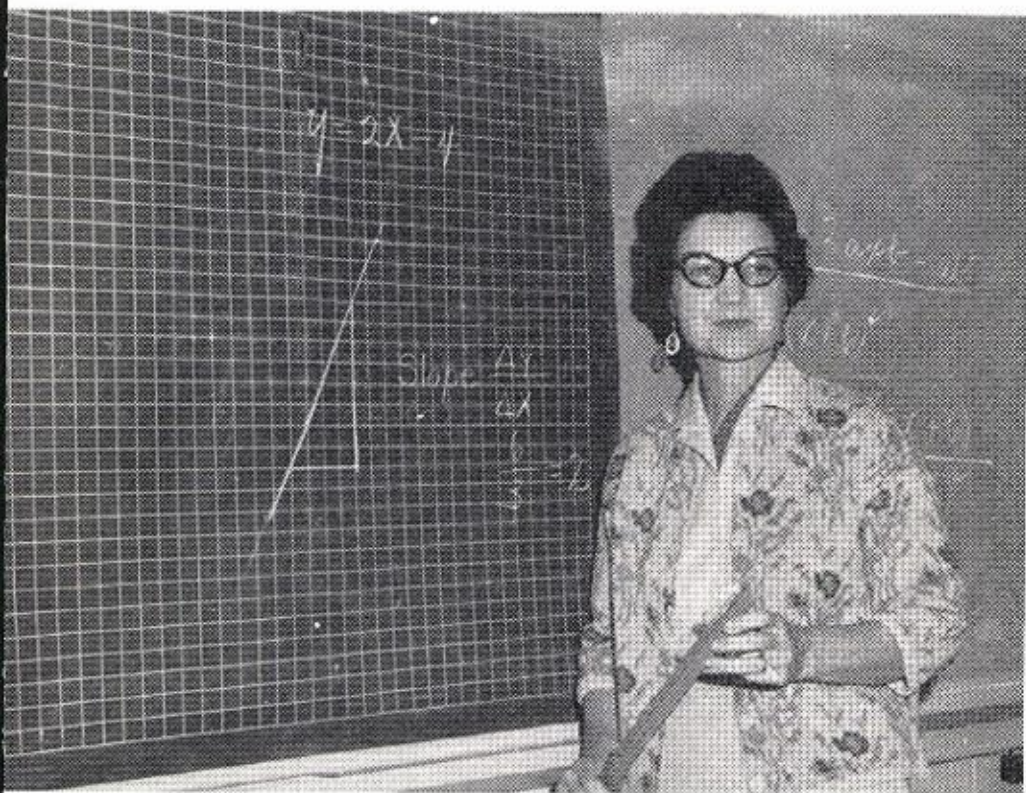

Miss Campbell feels teaching American History is more interesting and informative with the aids of maps.

A slide rule is of great value when one is faced with multitudes of Chemistry problems.

EVENTS BRIGHTEN YEAR

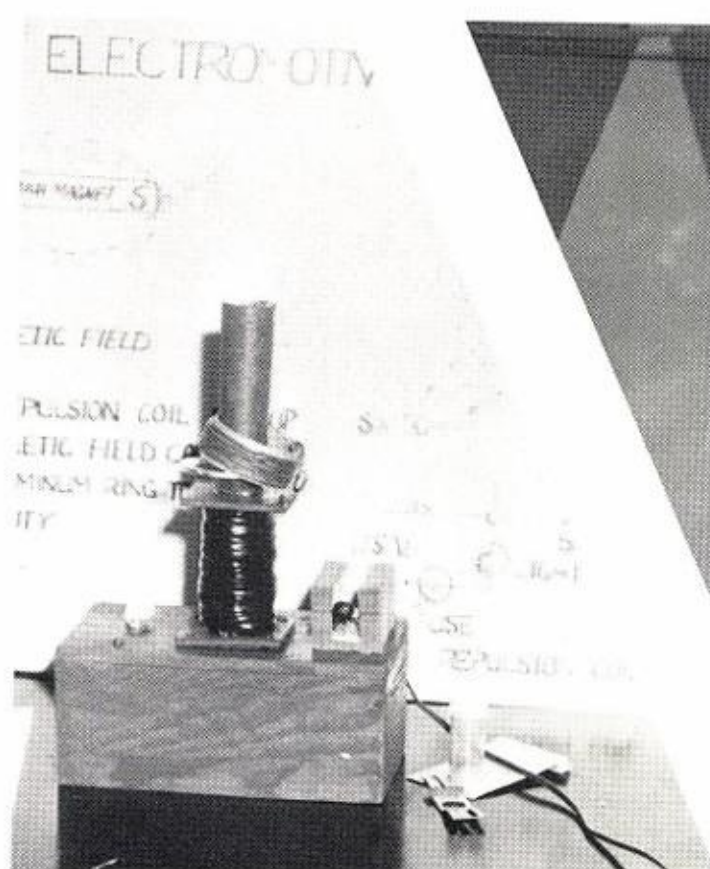

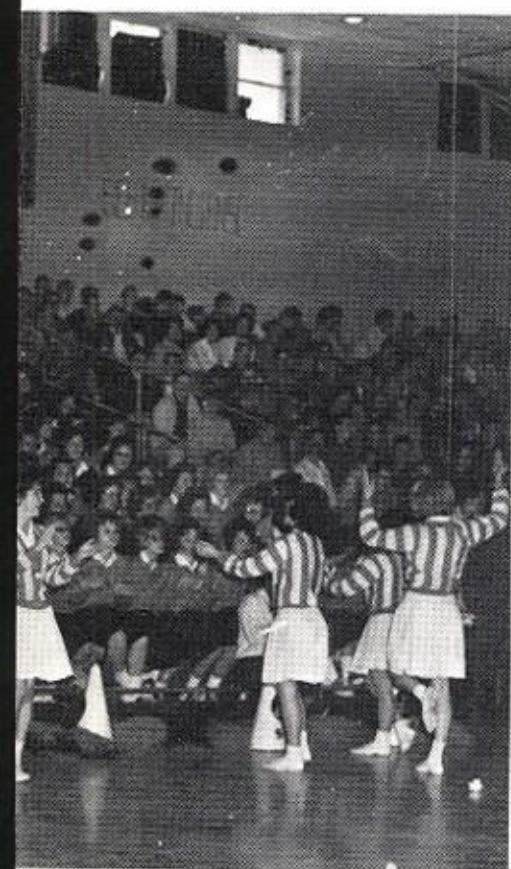

Pep Assemblies, such as this one before the El Reno basketball game, help liven school spirit.

Officers of the newly organized Future Journalists of America chapter are Sherrie Bowie, Secretary-Treasurer; Judy Graybill, President; and Susan Freeland, Vice-President.

Ideal Dates Buddy Jones and Karen Precure lead off the Ideal Date Dance with their attendants.

Science projects seem to be more complicated each year.

ACTIVITY ACTIVATED

Mrs. Cheatwood's home room won the Christmas bulletin board decoration contest with this unique portrayal of the Flintstones.

Putnam City's Victory Flag flies proudly below Old Glory.

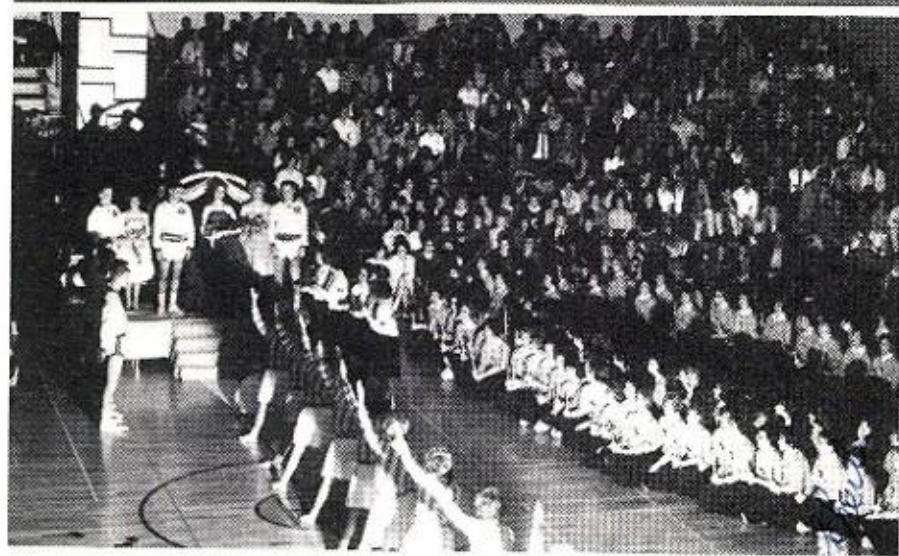

What do you mean, assemblies aren't interesting? Are you some kind of nut?

Putnam's newest counselor is Mrs. Carolyn Wakely. Mrs. Wakely counsels freshmen and has proved herself a welcome addition to the faculty.

Another highlight of the year's activities was the assembly in which the OBU Glee Club (including Putnam graduates Don Blackley and Sue McDowell) presented a vocal program.

Junior wrestler Tom Abel, who placed third in the state tournament, fights hard for vital points in this dual match.

The 1962 Basketball Coronation: The Pep Club presented quite a spectacle as they honored Queen Ann Doil.

The annual Talent Assembly is always a welcome event at Putnam. This year's winners were Martha Shelton and Ron Kuykendall (first picture above). Hart Morris won second place with his accordion solo, and Susan Johnston and Sharon Thomas took third, singing an original composition of Susan's.

SCHOOL GOES 'GIRL CRAZY'

The Student Council is one of Putnam's most respected organizations. It is composed of representatives and an alternate elected by popular vote from each homeroom. These students must possess various qualities such as scholarship, leadership, and the ability to co-operate with others.

Creating a greater sense of unity among the student body, furthering inter-school relations, and improving our own school is the main role that the student Council fulfills. It also trains leaders and gives the students a voice in school affairs.

The officers and Inter-City members attend various state and national conventions throughout the year. The services rendered by the Student Council this year include the operation of the Student Store which has a new feature, a student bookstore, the production of the annual talent assembly, giving of service awards in each department, and sponsoring of all sock hops.

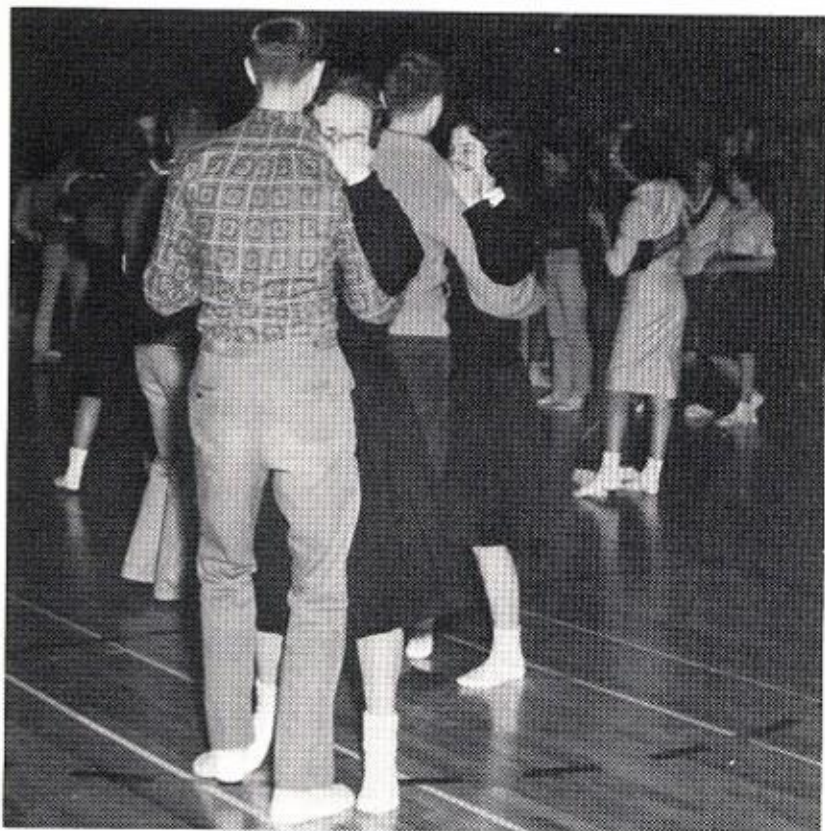

The Council also sponsored "Howdy Week", the teachers' tea, a reception for new students, and the Mr. and Miss Pirateer and Ideal Date elections.

The largest organization at Putnam City High School is the Princess Pirate Pep Club. In addition to promoting school spirit and encouraging good sportsmanship, the Pep Club sponsors the annual Spring Formal. On this occasion the Buccaneer is crowned by the Pep Club President.

At the beginning of each school year a Rush Party is given for the girls who are interested in joining the Pep Club. After pledging for eighteen weeks, the girls are initiated into full membership.

Under the supervision of Miss Pearle Coffey, the Pep Club officers and cheerleaders present the football and basketball coronations, and plan the Pep Assemblies.

Our cheerleaders attended a clinic at Oklahoma University during the summer and in addition to taking first place in all competitions, they were commended for their co-operation, conduct and spirit.

CHORUS WORKS HARD

The Chorus is a select group of students directed by Mrs. Patsy Corrigan. They have performed at various assemblies and community activities throughout the year.

This year the group presented a musical narrative, "That Broadway Sound", consisting of numbers from "The Music Man" and "South Pacific". The annual Christmas assembly is the combined efforts of the music and drama departments.

The Chorus also has several quartets and trios which enter in district and state contests during the Spring. Many long hours of practice are necessary in order to produce the fine caliber of choir that Putnam City is proud to have.

"You got trouble . . . right here in River City," warbles Mike Dennis in "That Broadway Sound."

Recording an accurate account of our year's events is the ambition of the Annual Staff. Hard work and determination are qualities mandatory for the members of this group.

Layout, copy, and photography constitute the three departments of the yearbook crew. All members of the staff are eligible to join Quill and Scroll, which is a club designed to band together students who are interested in Journalism. One of the high points of the year is the crowning of the Annual Queen at a special assembly presented by the staff.

And though the members' time and talent is in constant demand by other forces, they finally come through all the toil with an enjoyable record of the school that will hold the memories of your high school years after you graduate.

Business manager for the annual is Patty Terrell who this year is assisted by Gordon Elkins.

Work gets hectic in annual staff when deadline rolls around.

Our very able sponsor is Mrs. Thompson who is also Putnam's art teacher.

OF COMBINED EFFORT

Our photographers, R. J. Wagner, Robert Beesley, Larry Prange, and George Hale, discuss their assignments. All of them agree making pictures for the annual is not the easiest job in the world.

Forming an efficient copy staff are Roger McDaniel, Sheila Purcell, Edie Snell, and Mary Kidd. Doing all the written part o the annual is their task.

Layout staff consists of Sharon Jantzen, Barbara Herbert, Gail McDaniel, Carole Clark, and Pat Andrews. Location and arrangement of the pictures takes most of their time.

Editor Gerri Evans and associate Jane Stone check a copy of the student publication, The Pirate Log.

To provide the students with interesting reading and inform them of the current and future events of the school is the responsibility of the Journalism Staff. In addition to the publication of our school paper, the Pirate Log, the staff also directs the printing of the football, basketball, and Homecoming programs.

The newly built journalism room contains many useful features, such as a well-equipped darkroom and an editor's office, which have been a great assistance to the staff in the composition of the paper.

The students attend various workshops to gain new and improved ideas for the publishing of the Pirate Log. The members of the staff are eligible to join the Putnam City Chapter of the Quill and Scroll, after meeting certain requirements.

JUNIOR CLASSICAL LEAGUE

President of the State Junior Classical League is Wayne Wise.

Latin is an interesting subject, one reason being that it affects different people in different ways.

Newly reorganized this year is the Putnam City Chapter of the Junior Classical League. This redesign was affected so that the purpose of the JCL might be better fulfilled. That purpose, as stated in the JCL Constitution, is "to gain a more thorough knowledge of Roman life, history, and literature; to understand better the practical and cultural value of Latin; to interest other students in the classical languages; and to hand on the torch of classical organization in the modern world."

The JCL took over the activities of the Latin Club, including the annual Roman Banquet, where members learn of Ancient Roman customs by participation.

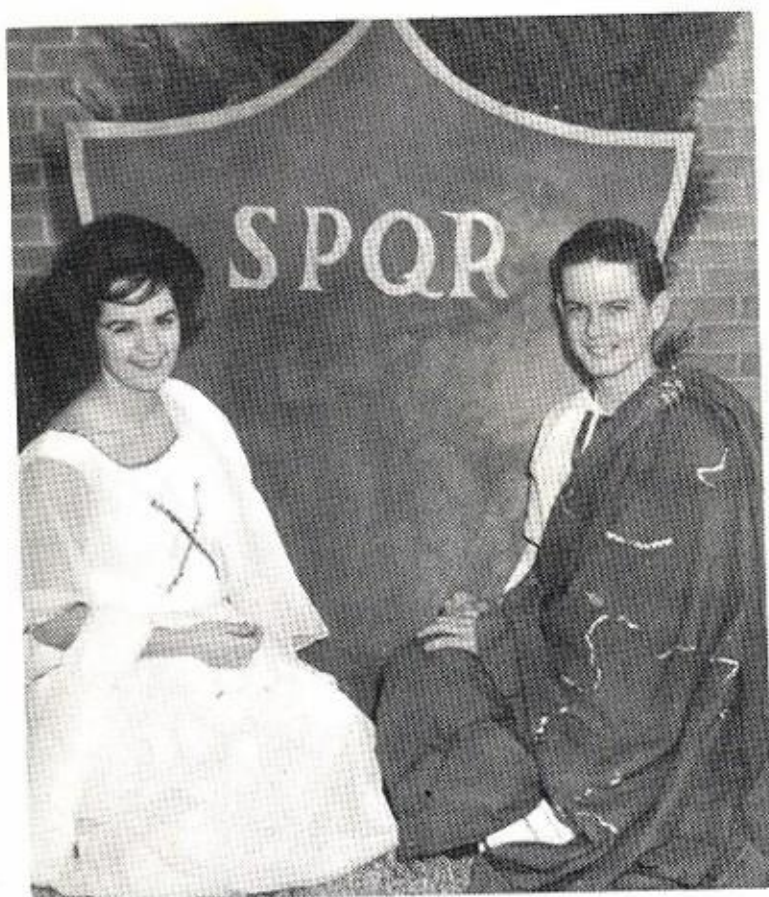

Mrs. Beck, the sponsor of our Latin Club, is looking over the agenda for the next meeting.

WHEN IN ROME?

Gracing the Putnam City scene this year are the dedicated students of that great Roman poet, Virgil, and his "Aeneid." These devotees of Latin are known as the Advanced Latin class. Taught by Mrs. Earlene Beck, they translate the "Aeneid," delve into other forms of Roman literature, and study the dactylic hexameter of Virgil. In doing so, they gain a better knowledge of history and literature and a more complete outlook on life.

Advanced Latin students Gregory Plater and Dean Courter give a "slave" a rough time prior to the Roman Banquet.

To be a member of this club, one must have had at least one year of Spanish and maintain a B average. The highlight of the year is the club's Fiesta and also the Pan American Fiesta held at Norman, Oklahoma.

The sponsor of the club, Mr. Leon, and co-sponsors, Mr. Daugherty and Mrs. Krause, have made much progress toward acquiring the best possible advantages for their students and members of the Spanish Club.

One of the most popular and romantic languages at Putnam is the language of French. To obtain membership in the French Club, a student must maintain a "C" average in this course. For officers the average must be at least a "B".

The members strive for better understanding and encourage interest in French and all foreign languages.

Each year these students participate in a Mardi Gras, in which they dress in appropriate costumes and dine in French style. Under the sponsorship of Mrs. Mathias, this club has grown in scope and knowledge.

Presenting plays, dramatic readings, and other recitations are a few of the activities of this course. Mrs. Cheatwood is new to Putnam City this year, having graduated from Central State College in Edmond, Oklahoma.

The students in Speech Activities and Debate have a chance to compete with other schools in this field at various times throughout the year. We are proud to say Putnam City has proven to be outstanding at all of these meets.

Charles Gifford, Jayne Bullock, and John Brant are three talented Putnamites who qualified for state contest this year.

F.T.A. PROVIDES MATURE OUTLOOK

Explaining the system used in determining F. T. A. scholarships is Mr. Dale Hall, sponsor.

The purpose of F. T. A. typifies the attitude of Putnam City in the realization that we are becoming part of the adult world. Through talks by outstanding educators and administrators, films having to do with teaching in the grade school, and personal conferences with teachers, the members become informed about the problems, activities, qualifications, and interests of the teaching profession.

With the guidance of their sponsor, Mr. Dale Hall, and the help of others, the F. T. A. members are growing into mature young people and are learning more about themselves in relation to others.

Future, Homemakers of America is the national organization which helps individuals develop an interest in homemaking and improved personal, family, and community life for the present and the future. Girls who have had a year or more of Home Economics may acquire membership by pledging for one week. Their motto, "Toward New Horizons", challenges the members to strive for advancement in better conditions for tomorrow.

Each year the F. H. A. produces an assembly in which the modeling of teenage fashions is featured. These clothes are cordially furnished by leading Oklahoma City department stores. Following the style show is the coronation of the F. H. A. Sweetheart, chosen by the club members.

Mrs. Mann, sponsor, contributes her knowledge and experience in the art of homemaking, and under her direction the club is expanding rapidly.

F. H. A. officers check over their preparations for initiation to make certain everything is in place.

PREPARING FOR BUSINESS WORLD

In this modern world of ours, business most decidedly plays an important role. To take care of students wishing to pursue a vocation in this field the Commercial Club has grown into one of the more active clubs in the school.

Students taking advanced shorthand and typing are eligible for membership. Their goal is to prepare themselves to become competent and skilled in their occupation. Mrs. Jo Ann Bennett sponsors this progressive organization.

The Commercial Club officers are: Susan Johnston, President; Linda Roebuck, Secretary; Carol Klenk, Vice-President; Faynelle McClure, Chaplain; Bobby Cantwell, Treasurer.

LEADERSHIP AND SKILLS TAUGHT BY 4-H

4-H Club work is a form of education designed to supplement the training received in the home, school, and religious institutions. Putnam City has the honor of being pioneers this year in a new program, Career Explorations. Our school is the only one in the state that has this project. 4-H Career Exploration is a program that offers an opportunity for older boys and girls to find out early in life some things about themselves — their interests and aptitudes — and about the opportunities that may be open to them. We hope this program is a great success and other schools will follow in our footsteps.

4-H Club officers this year are Sherri Bryant, Secretary-Treasurer, Jewel Walker, Vice-President, Reginald Hamman, Reporter, Drayton Gibbes, President, and Gary Harlin, Recreation Leader.

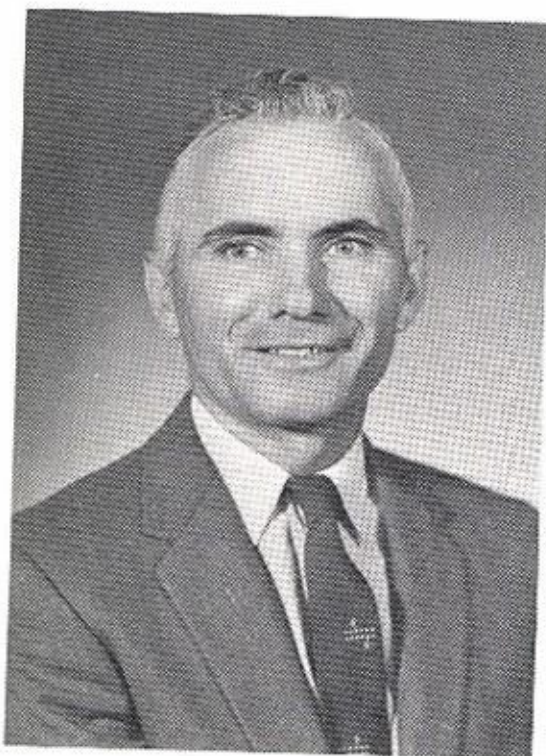

Some outstanding members of 4-H discuss awards with Mr. Rice.

VISUAL AIDS FURTHER EDUCATION

The Audio-Visual staff is one of the hardest-working and least-rewarded organizations at Putnam. Through their efforts many educational opportunities are brought our way which otherwise we might not experience. From adjusting the mike for Pep Assemblies to showing a film on Ancient Rome to the Latin classes to working the spotlight for the All-School Play, the A-V boys are always working

for a better educational system and more enjoyable activities.

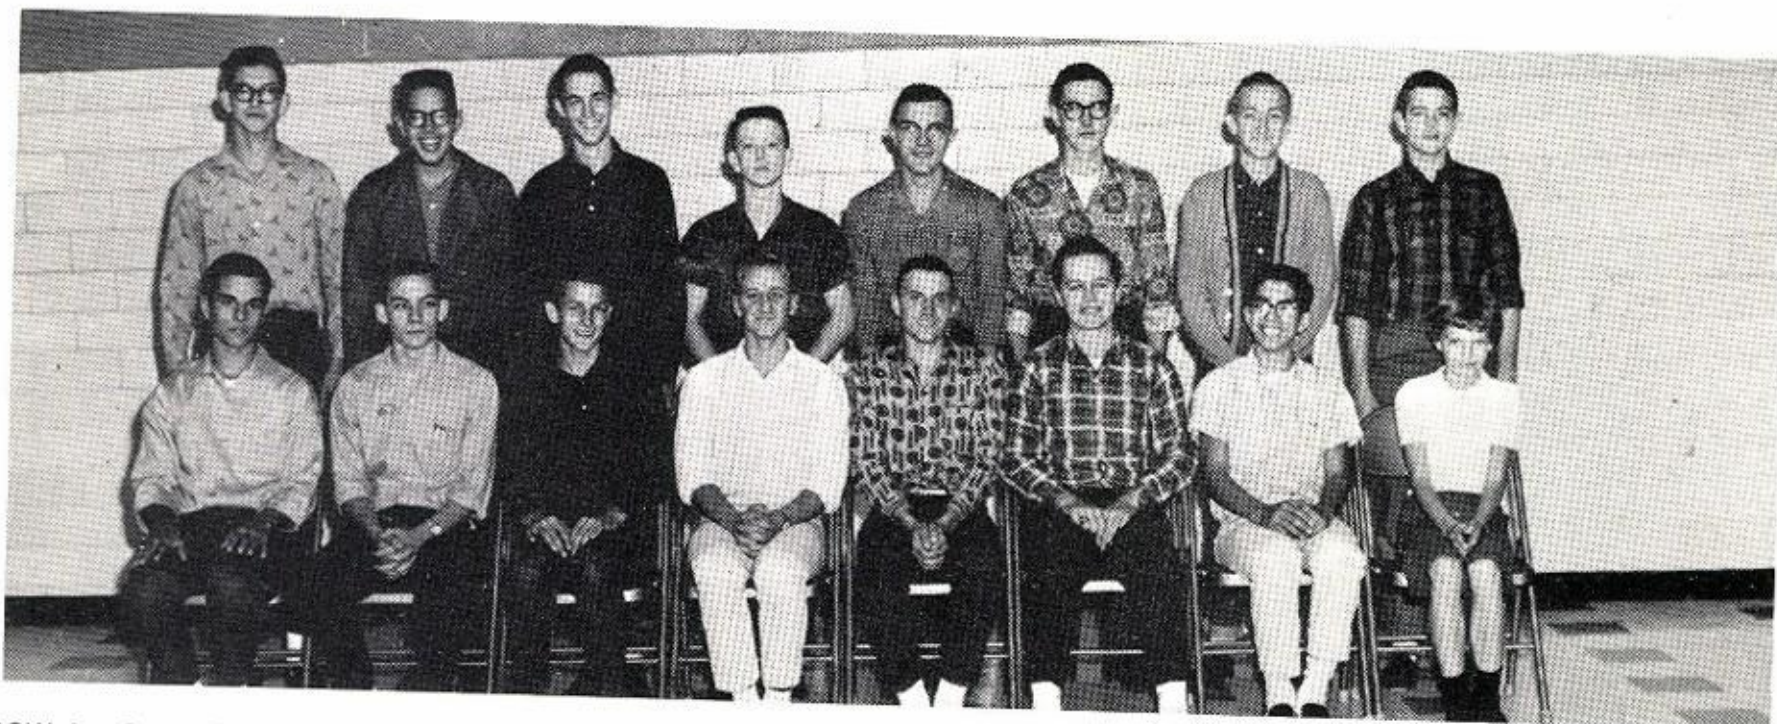

Working with their sponsor, Mr. Rice, the Audio-Visual staff is always growing, both in numbers and in equipment. To the boys who make up this worthwhile and needed staff go our thanks and appreciation for a job well done.

LIBRARY EXPANDS TO MEET STUDENTS' NEEDS

Mrs. Zweiacher, our school librarian, and Mrs. Virginia Priddy, her assistant, admire the shipment of new books.

Keeping the library functioning smoothly is Mrs. Zweiacher, our school librarian. This year the library has added a secretary, Mrs. Virginia Priddy. Mrs. Zweiacher will admit that running the library and keeping the books up to date is quite a job and her new assistant was a welcome addition to the library staff. Faculty and students alike enjoy the new circular study tables and find them conducive to better study.

All of us are proud of our fine library and hope it will continue growing and enlarging in the years to come.

Library officers include: Sharon Martin, President; Linda Ray, Vice-President; Judy Buttry, Secretary; Marilyn Brown, Treasurer; Laura Taylor, Reporter.

Mrs. Grace Hulsey, Mrs. Ruby Taylor, and Mrs. Edna Wert are the three people who keep the office calm and efficient even though they are sometimes knee deep in check-out slips, season tickets, and notices for various functions. To maintain an air of serenity rather than mass confusion takes special ability, and no doubt our secretaries have it. Everything from absentee lists to history books may be found in the office; therefore, organization is essential. And organization is what the students and teachers receive from the office staff's combined efforts. We are truly thankful for the time put forth by our very competent crew of secretaries.

Calm and collected, the office secretaries prepare for another school day.

The purpose of the Safety Club is to promote safety in the school, at home, and on the highway. A course in Driver's Education and a driver's license enables a student to become a member of the Safety Club.

The members helped plan the State Safety Convention which was held at Edmond, Oklahoma, on December the eighth.

The club's activities are under the direction of Mr. Carter Burney, the club sponsor and a teacher of Driver's Education at Putnam City High School.

Mr. Burney reviews rules of safety for driving with his Driver's Education students.

One of the newest clubs at Putnam is the Medical Club which was organized last year. Under the direction of Mrs. Hess the Club strives to create greater interest in the hearts of those who are interested in the medical profession or any of its related fields.

Various speakers in the medical profession are engaged to inform the club of the many phases of this work. The membership is open to anyone who desires to learn the requirements of medical work.

Officers of Medical Club are: Drayton Gibbes, President; Pat Daugherty, Reporter; Nerine Kemp, Treasurer; Pat Melton, Secretary; Betty Bacquart, Vice-President; Mary Gibson, Chaplain.

PIONEERS IN JOURNALISM

The sponsors of Quill & Scroll, Mrs. Thompson and Mrs. Thomas, discuss the club's upcoming activities.

Participating in the publication of the Treasure Chest or the Pirate Log and displaying the ability and willingness to do so are just two of the requirements of the Quill and Scroll. This club encourages a student's desire for advancement in the journalistic field and for contributing to the growth and development in the journalism of tomorrow.

Students who wish to join must be either a junior or a senior and maintain a high B average in their academic studies.

Mrs. Lois Thomas and Mrs. Lois Thompson co-sponsor the Quill and Scroll, its proper title being the International Honorary Society for High School Journalists.

Students who are interested in the progress of science and in developing their knowledge and understanding will be found in the membership of the Science Club. Not only do they promote improvement in this field but they also construct one scientific project per semester which is entered at the state science fair in Edmond.

Their adviser is Mrs. Mullinax, who is well known in the teaching field, and well qualified to direct the club's activities.

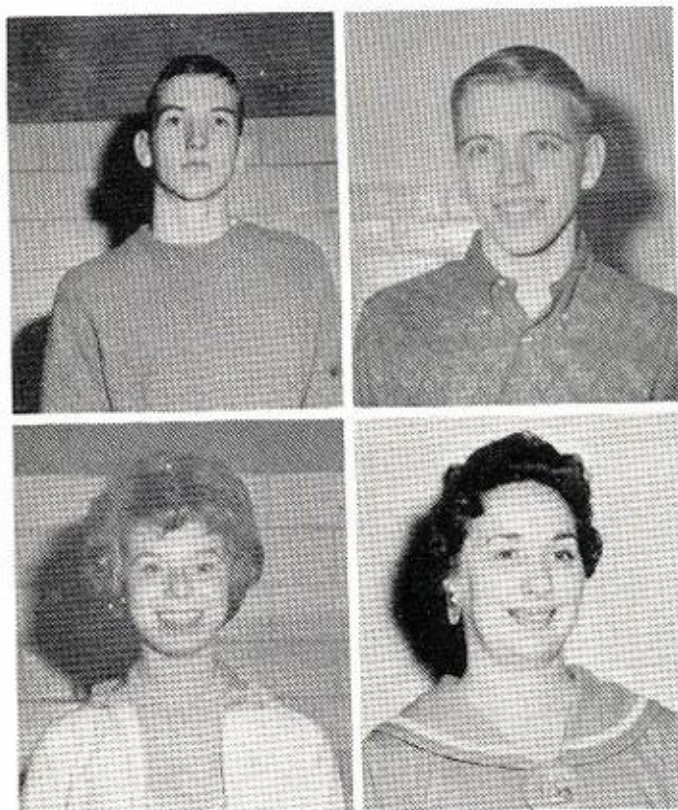

Under the supervision of Mrs. Mullinax, sponsor, the Science Club officers experiment with a Geiger counter. They are Jim Oakley, President, Richard Ishmael, Vice-President, and Don Long, Secretary-Treasurer.

NEW WORLD AFFAIRS CLUB IS ACTIVE

In its second year of activity, the World Affairs Club has grown to be one of the most active organizations at Putnam. Through guest speakers, field trips, films, and reports, the members become more informed about the world situation and the problems our country faces. They co-operate with the Student Council in helping promote a better understanding of the American way.

Through the leadership of their sponsor, Mrs. Sandlin, and the officers, the World Affairs Club is constantly growing, both in membership and information, and looks forward to continued success.

TEAM PLAYS HARD

Following a very successful season in 1960, Putnam City football luck dropped this year, although the fans were provided with many thrills. Picked by the Daily Oklahoman to win the state AA championship, the Pirates finished fourth in the Mid-State Conference, winning three games, losing seven, and tying one.

Although plagued by injuries and a difficult schedule, they contributed much to the school and every team played knew they were in a real football game. We salute the 1961 football Pirates on the fine effort they put forth.

UNDERCLASSMEN TRAIN FOR FUTURE

Much of an athlete's skill is due to the years of practice and training which he has had. The "B" and freshman teams go through much toilsom drudgery to gain the skills needed for greatness. Although the records of these two teams were not to impressive this year, they gained much needed experience and will bring glory to Putnam in years to come.

Mr. James Gilmore was the freshman team coach in 1961.

Coaching the "B" team this year was Mr. Bill Ballew.

Team captain Charles Button discusses the team's play with Coach Bill Ballew.

This year's basketball season was interesting, to say the least. Although trying hard and giving their all every minute of every game, the boys were never able to break out of their slump. Led by captain Charles Button, the team seemed, at times, to have captured the spark of victory. But injuries and especially difficult opponents handed them more setbacks. Finally the team wound up with a not-too-good, not-too-bad season record of 7-14, highlighted by third place in the Shawnee tournament.

BASKETBALL SEASON FILLED

Coaches Vernon Clover and James Gilmore discuss how to develop next year's varsity into a winning team.

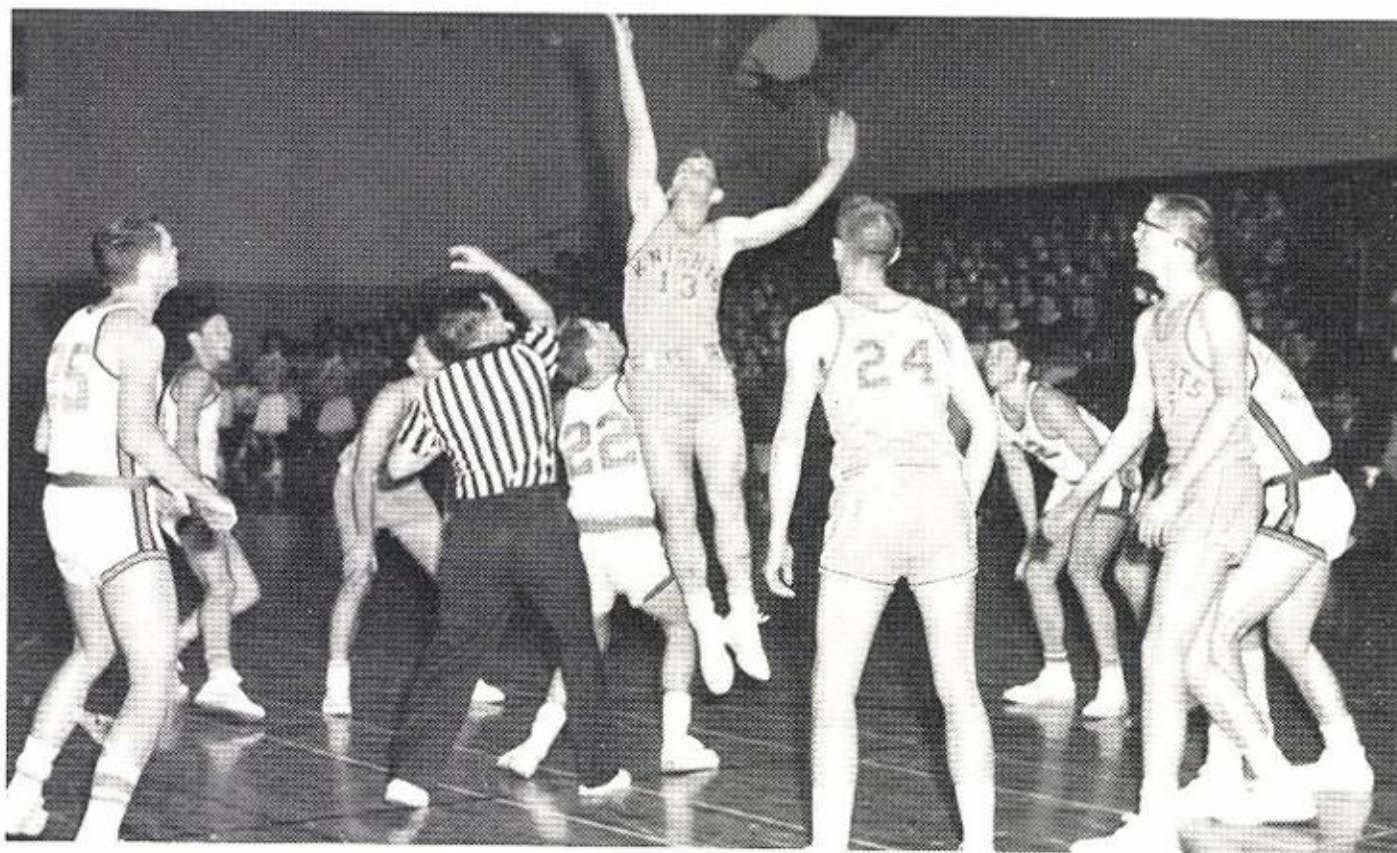

This year the primary objective of the "B" team was to gain experience. Although their record was a not-too spectacular 7-10, Coach Clover achieved his goal — everyone played. In this manner next year's varsity will not be left with completely unseasoned players.

Much hard work and self-discipline have paid off in a very big way for the Putnam City wrestling team this year. The grapplers captured the highly coveted first place in the Mid-State conference, boasting nine conference champions. In addition to this honor, two Putnam matmen, Sandy Harris and Roger Bonham, won state championships, while Tom Abel and Bob Watts took third and fourth places, respectively, at the State Tournament in Norman, Oklahoma. Sandy Harris also received the outstanding wrestler award in class AA competition.

The team had a very successful season, with an 8-3 record, and is looking forward to an even better one next year. We congratulate the Pirate wrestlers and their coach, Mr. Stan Abel, on their fine record.

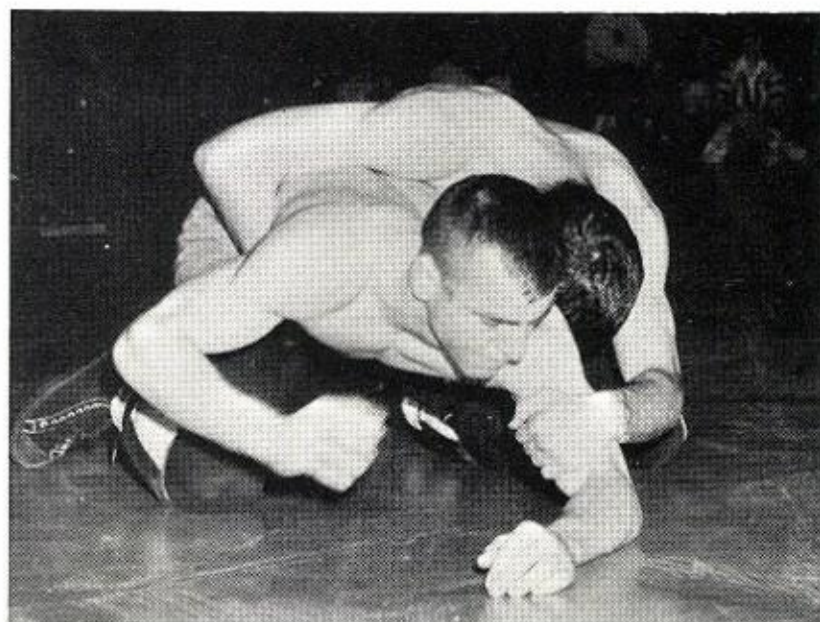

Russell Richardson, student manager, demonstrates one of the many duties of this position on Tom Abel.

ALL AMERICAN

There's no limits to what baseball practice will take you through and practicing in the snow is just an example.

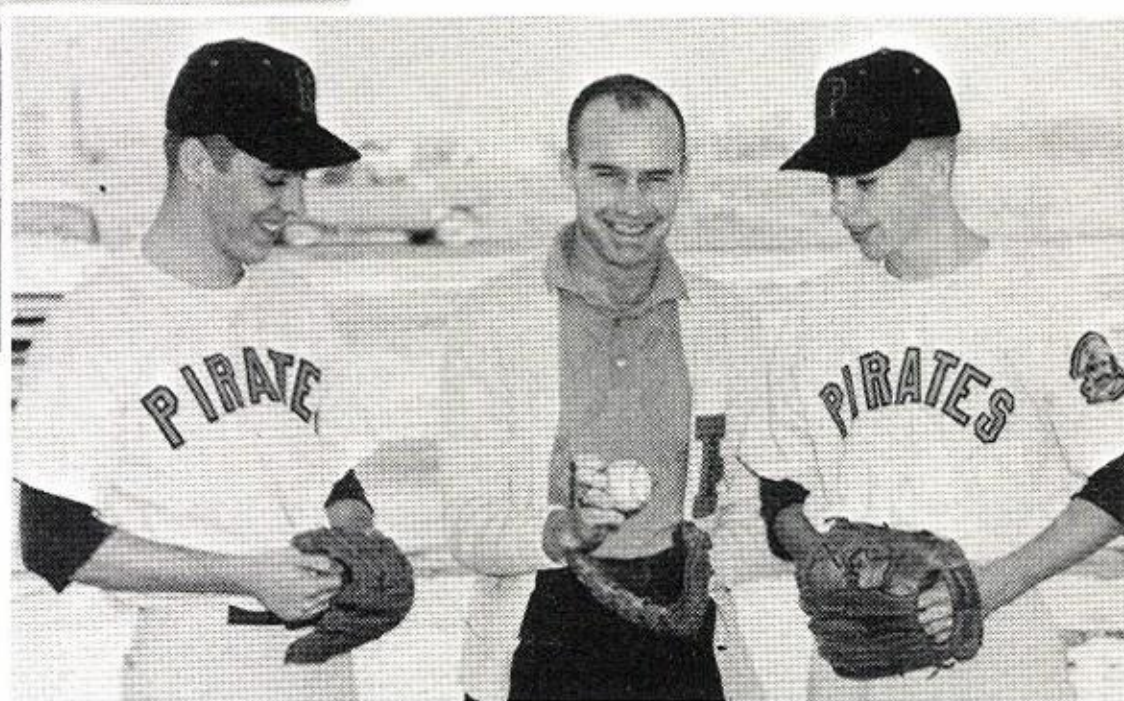

Ranked among the most popular sports at Putnam City is baseball. Rugged training with stiff regulations for membership limit the number of boys who finally make the team. All these select boys are filled with determination and enthusiasm and there is a favorable outlook for the approaching season. Last year's team was runner up in the state AA competition. The team's coach is Bill Long, who supervises the swimming team as well.

The team is growing in prominence and has gained the unanimous support of the Pirates.

Rugged practice is all Buddy Jones and Drayton Gibbes know when baseball season comes around.

Pitchers, Charles Button and Richard Altman, discuss up and coming competition with Coach Bill Long.

Cross country, running a two mile route over rough ground which is usually a golf course, is one of the sports for which few people qualify. Keeping in top physical shape is mandatory for membership on the team.

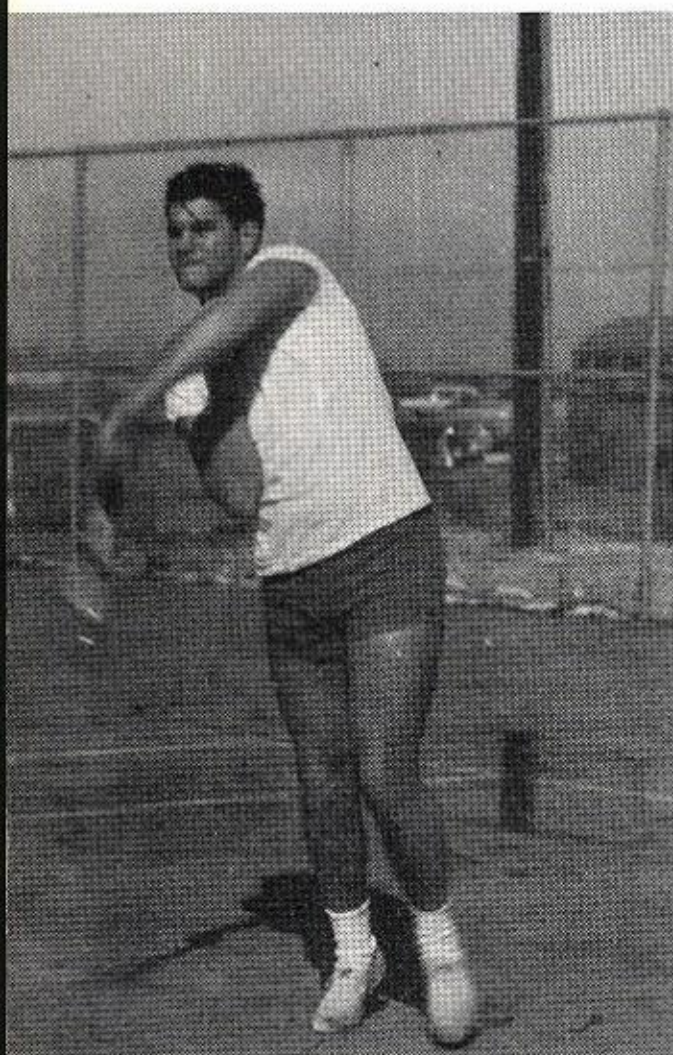

Competition begins in September of each year and continues through November. This year our team came in fourth at conference. One of the outstanding members of the team was Max Murray, who went to state and clinched thirteenth there.

Captains Max Murray and Larry Womack proudly gaze at their hard earned medals.

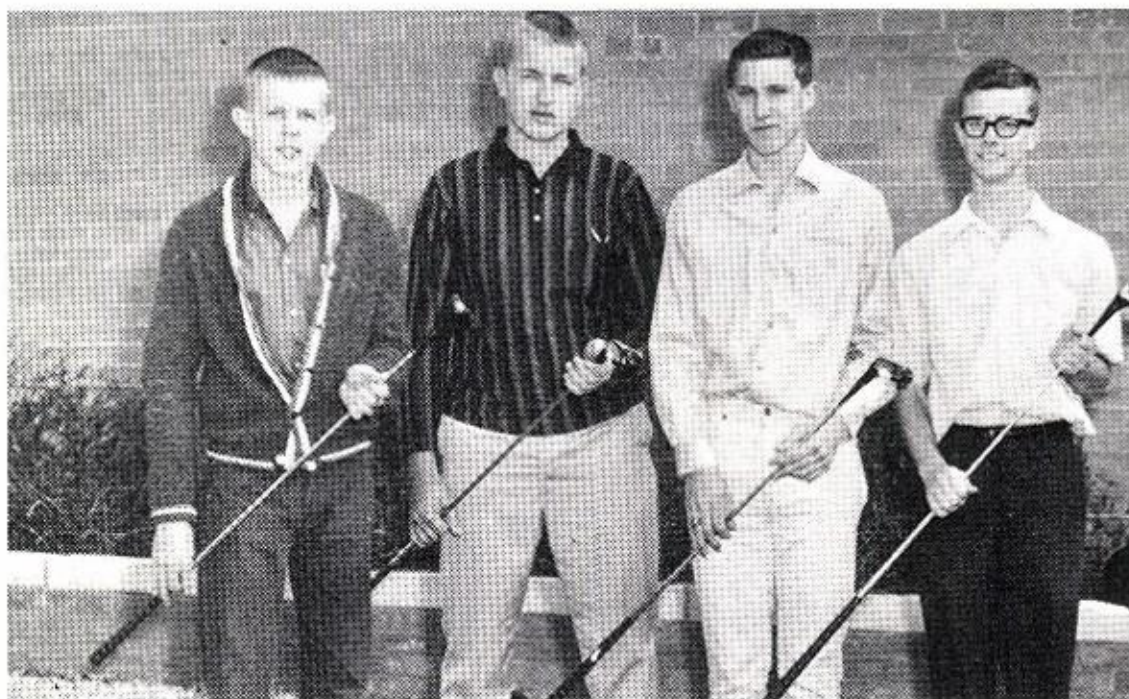

Coach Carter Burney poses in front of trophy case.

GOLF AND TENNIS, POPULAR NEW SPORTS

Ingredients of sunshine and tennis racket produce Everett Hobbs, practicing his serves.

Comprising the four member golf team are: Terry Allen, Uwe Pontius, Mike Raymond, and John Crittenden.

Golf, although not one of the major sports at Putnam City, attracts several boys to its selective art. Play begins around March of each year and continues 'till summer. Coaching the boys is Carter Burney who also serves as a Driver's Education instructor.

Speed, energy, co-ordination, and stamina are a few of the requirements for the members of the tennis team. These boys are anticipating the tournaments and conferences which they will enter with other schools this spring. Looking forward to a successful season are Mr. Coffman, the coach of Putnam's tennis team and returning lettermen, Bob Echols, and Roy Geiger.

Members of the tennis team are: ROW 1: Howard Gray, Mark Lawson, Larry Fauss, Roy Gieger, Glen Robinson, Charles Womack.

The swimmers make use of the facilities furnished by the Westside YMCA. This year the team gained recognition by taking third place in the Mid-State Conference.

Bottoms up!!

These girls are alert and tense as they strive to return the serve in a rousing game of volleyball.

"Strenuous but lots of fun" is the way most girls would describe their gym class. A variety of sports are offered each year, such as volleyball, basketball, tumbling, table tennis, badminton, and softball, plus field and track events to make this course a well-rounded and favorite activity. To obtain a letter a girl has to partake and letter in at least three of these events.

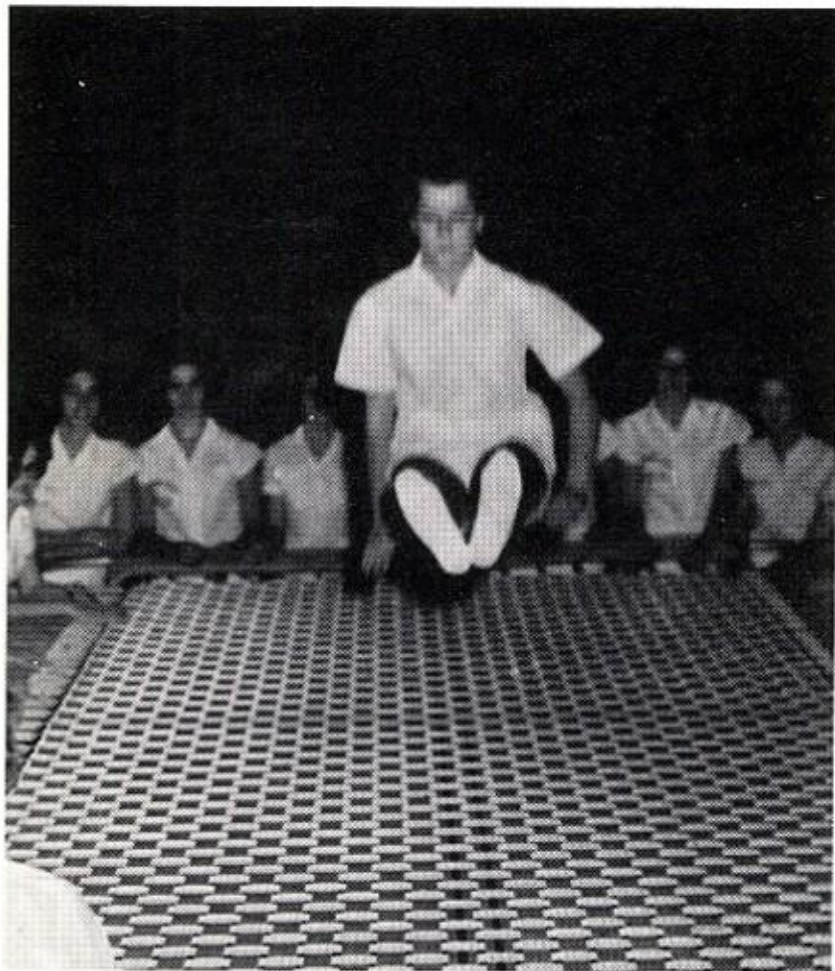

This year a physical fitness program was taken by the gym classes to determine the status of Putnam's fitness. Miss Ivine Paris, instructor for the girls' physical education, enjoys teaching the different sports and the key to mastering them.

PHYSICAL EDUCATION OFFERS

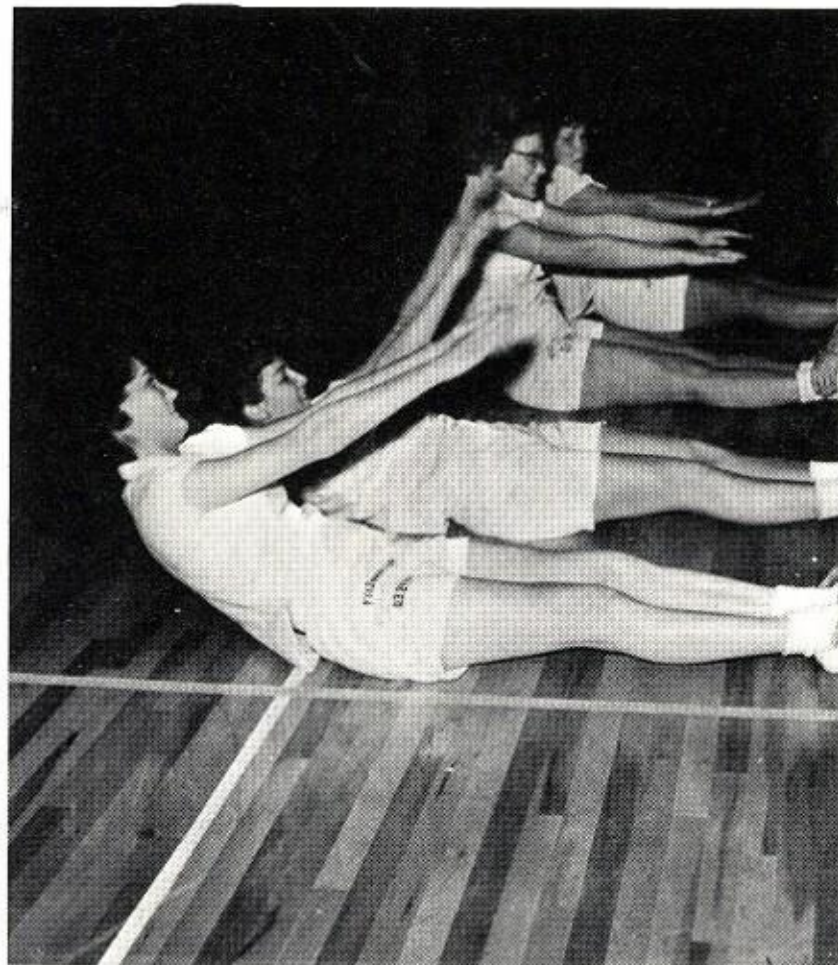

The girls who have lettered in sports are from left to right: Geneva Hutchins, Jo Dean Thompson, Peggy Plum, Shirley Hale, Sherrie

Tumbling proves a thrilling and well-liked sport as this girl tries her agility.

As this exhibition will show, these girls seem to be a dextrous group in gymnastics.

A tense moment for Karen Precure and Sue Smith comes while the birdie is still in mid-air.

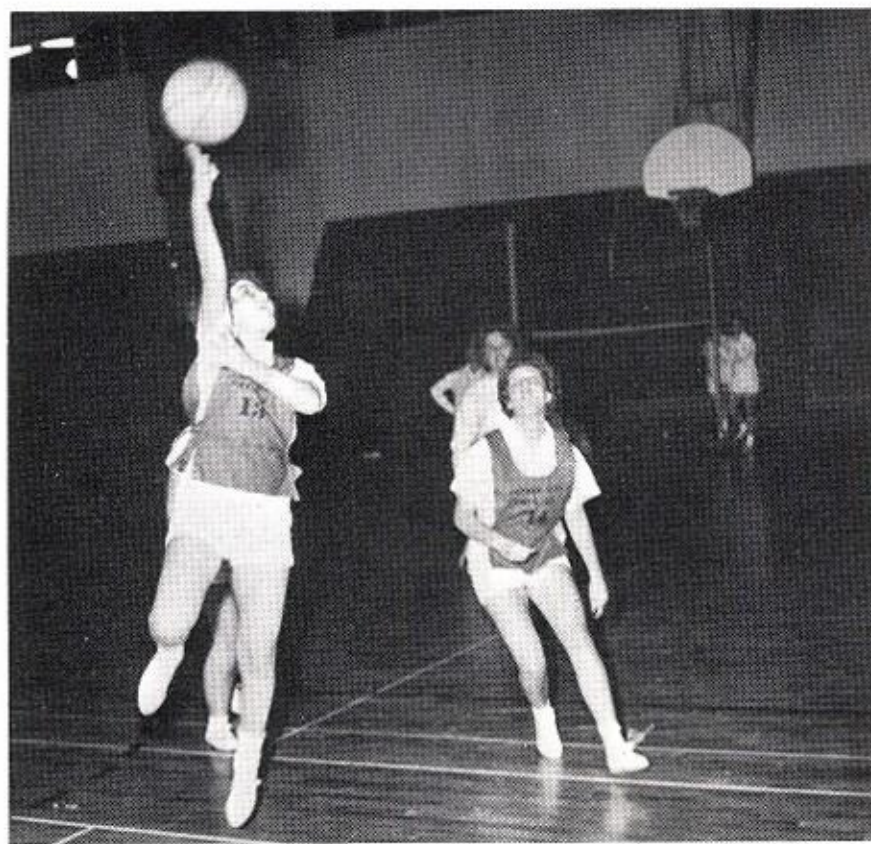

Armed to the teeth with balls, rackets, and short shorts, these brave girls try their luck at tennis.

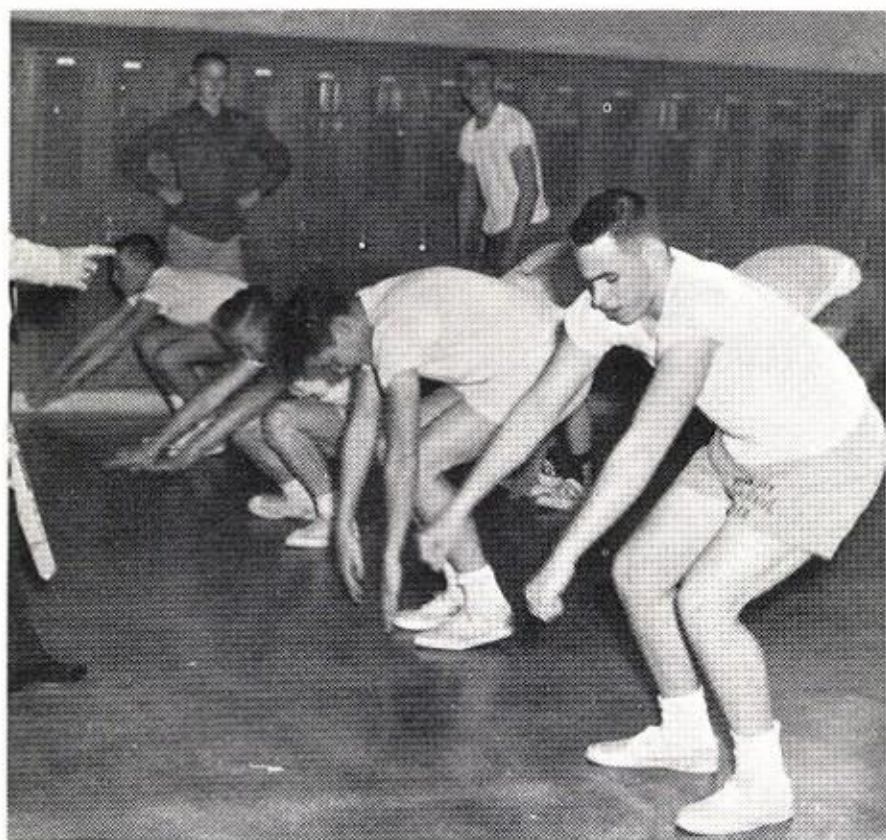

IN BUILDING CO-ORDINATION

A tricky sport for most athletes is the game of ping pong, which these girls strive to learn and perfect.

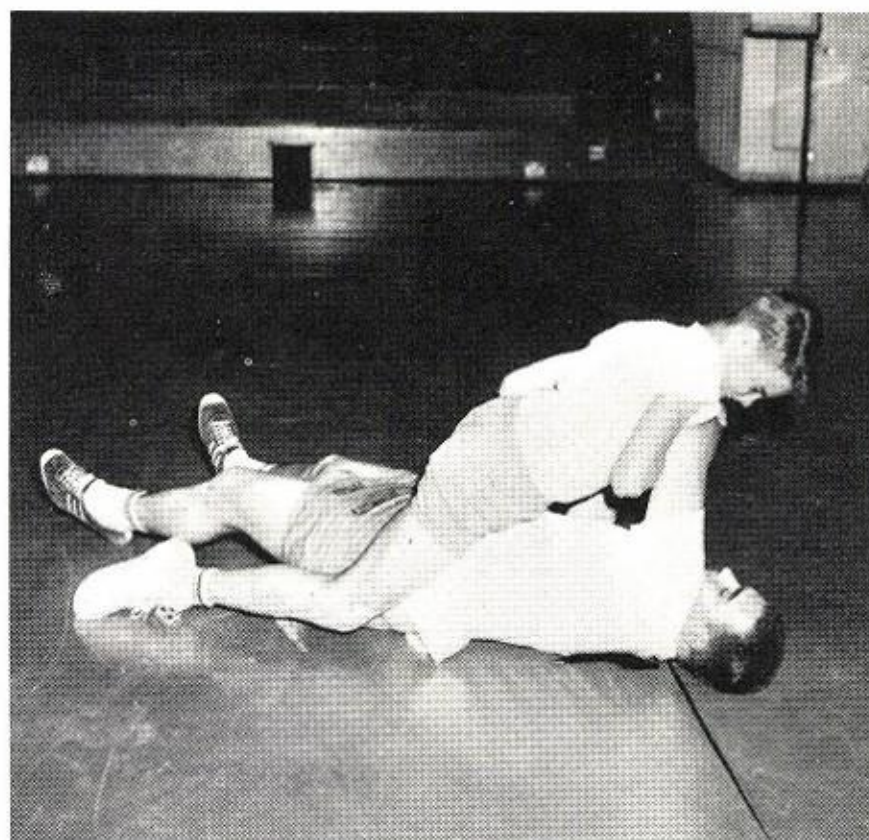

Nothing like a rousing game of basketball to round out an hour of lively fun.

That's what we like — precise togetherness.

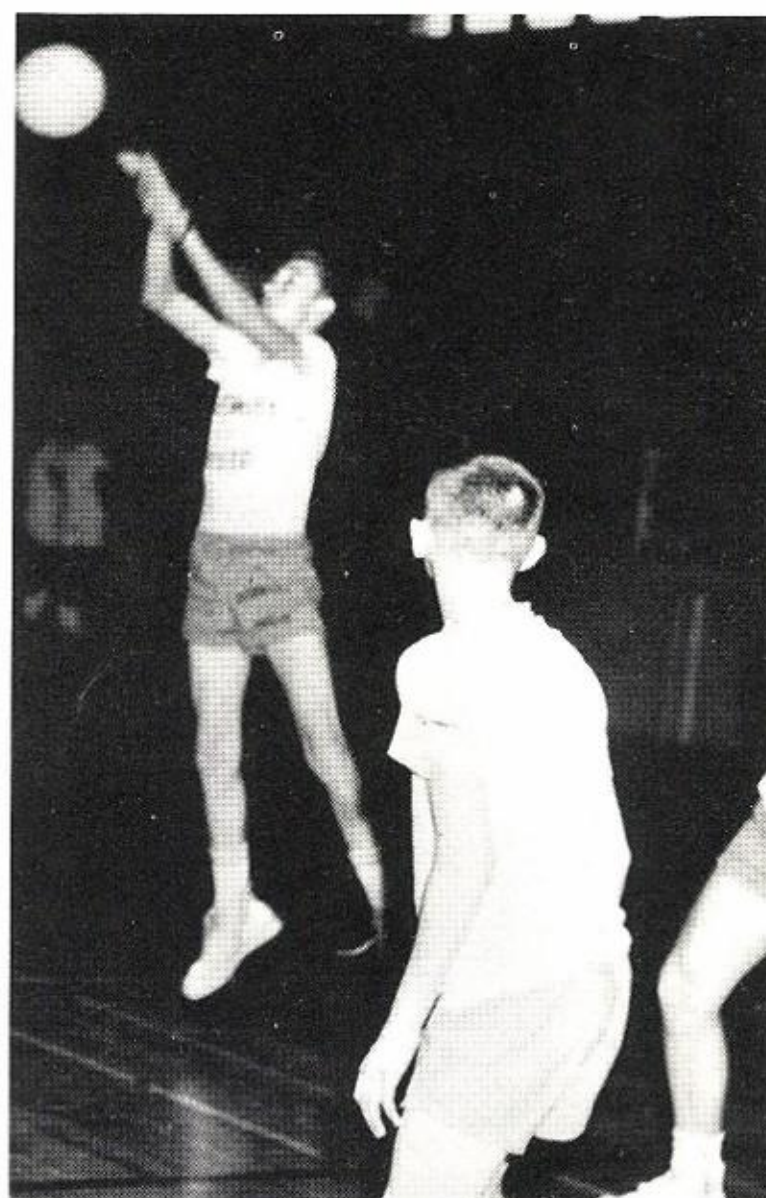

Now, now boys — it's just a game.

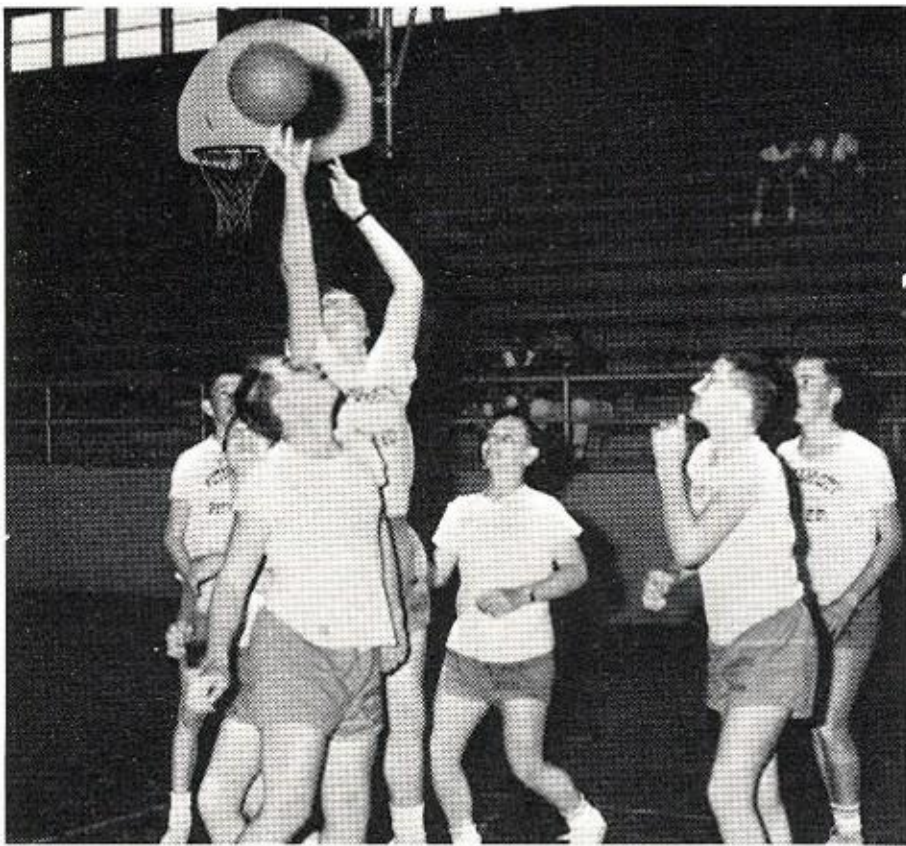

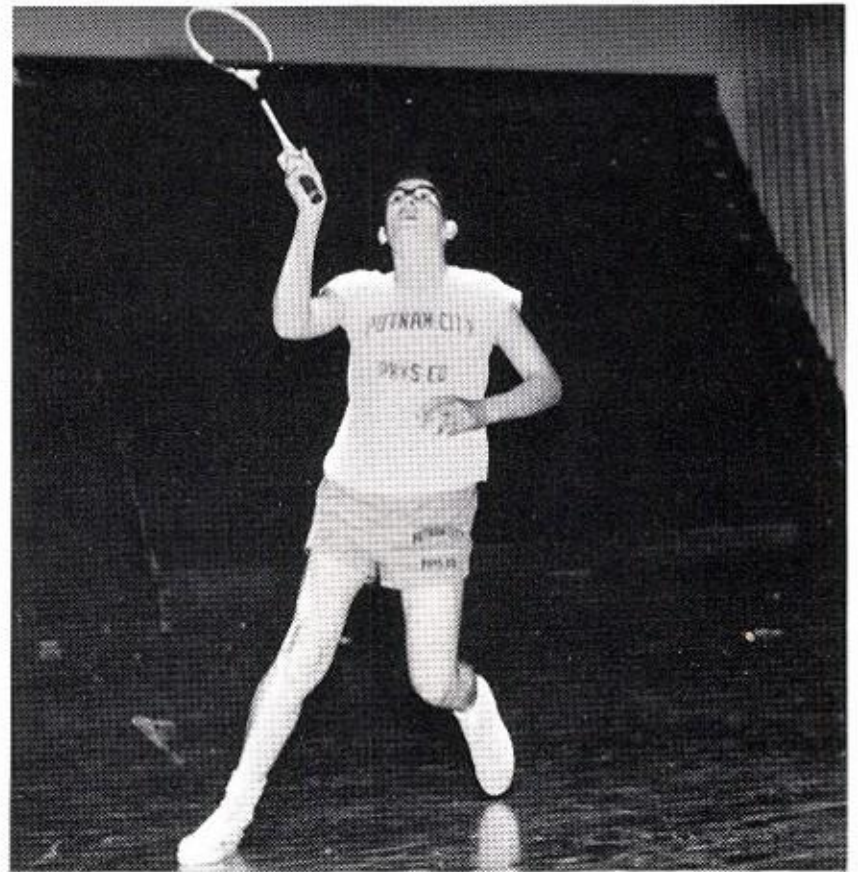

AND FITNESS

Volleyball requires quick reflexes, strong wrists, and the ability to withstand a good blow if the first two happen to fail you.

From the many sports the boys' P.E. class may choose from, baseball rates among the most popular.

This time it **is** a bird

VALEDICTORIAN

The top honor of Valedictorian was filled by Jama Bell, daughter of Mr. and Mrs. James E. Bell, who reside at 3328 N. Geraldine. Jama correlates her studying with the various activities of Pep Club, Honor Society, and World Affairs Club. At present she fills the office of Treasurer in the F.T.A. Club and Secretary-Treasurer of the Math Club. She is also a member of the Twelve Year Club and has played the clarinet in the "A" Band for the past five years.

Among Jama's many accomplishments are the Student Council Awards in General Science and English I and the second place award in General Science from the Edmond Scholastic Meet. She has held the position of class scholarship for the past three years and was a Merit Scholarship Semi-Finalist in her Senior year.

Jama has participated in the Latin Club, was in the cast of the Junior Play and was in the crews of two other plays. She attended a summer institute at Asbury College in Wilmore, Kentucky, sponsored by the National Science Foundation. She was also selected to attend a dinner as a top Senior girl, given by the OU Club.

Asbury College is Jama's choice as the next step in her education and plans a future in teaching or mathematics as her possible vocations.

CO-

Sharing the position of Salutatorian with Gerri Evans is Betty Rolfs, an active girl with unlimited vitality. She lives with her parent, Mrs. Mildred H. Rolfs, at 4424 NW 45 Street.

She has attended Putnam since the seventh grade and has been a definite asset to the school. Not only is she our Annual Queen but also the hard-working editor of this publication.

Her many activities include F.T.A., F.J.A., Latin Club, Student Council, and Pep Club, of which she is Sergeant-at-Arms. She also finds time to preside as President of the Honor Society and Secretary-Treasurer of the Quill and Scroll. Added to this is her hard work done for the school plays as a stage crew member. She also was in the cast of the Junior and Senior Plays.

Aside from obtaining class scholarship for the past three years, she was chosen Girl of the Month by the Oklahoma Professional Women and attended a Science Recognition Day sponsored by Bell Telephone Company.

One of her high honors was being chosen as a candidate for the Pirateer elections. Betty hopes to attend OCU or Colorado College next year and is looking forward to the monetary benefits she will reap as a dentist.

Dear Seniors:

Congratulations on your graduation, and also on the fact that you are the largest class to graduate from this high school. 310 will receive their diplomas early in June.

The problems and challenges of being part of a growing school and community are many. However, they certainly have their rewards. Much of our thought and energy here at Putnam City goes into providing facilities for the never-ending number of students who continue to enroll. Our community is one of the fastest growing in the state of Oklahoma. I am sure that the atmosphere of growth has been a stimulus to you as you have pursued your high school education. Very rewarding to me as principal has been the manner in which new people have joined in the thinking of this community in helping to provide good schools for you boys and girls. There is nothing that attracts people to a community more than the fact that those who already live here want good schools.

When you enrolled here four years ago we had only 1200 students, and now we are up to 1900. We hope that the type of education you have received here will put you in good stead for your life venture. Take a moment to reflect on the atmosphere that must prevail in a school that is losing enrollment. Many communities of Oklahoma are losing population, and the atmosphere for progress just cannot be so great as it is in one that is going forward.

Another challenge that is not quite so evident is that of supplying quality in education amidst the tremendous growth. A shortage of rooms shows up in a hurry. However, the lack of a good educational program does not show up quite as fast. We of the administration and faculty had your welfare in mind when we attempted to provide top teaching, an adequate library, good counseling service, wholesome school atmosphere, and allowance for individual differences. These factors, and others, help to determine the type of education you receive. Growth without sacrificing quality has been our aim. Return to visit us when you can; you will always be welcome.

Sincerely,
Leo C. Mayfield

Gerri keeps her fingers in all the pies as is proven by her long list of activities and accomplishments. She was a member of the Twelve Year Club, Latin Club, F.J.A., Pep Club, Student Council, and Honor Society. Offices held by Gerri were Vice-President of Quill and Scroll and State Vice-President of O.I.P.A.

Editing the Pirate Log required much of Gerri's time and she wrote correspondence for the Tribune Review and Oklahoman and Times. Her staff honored her by placing her in candidacy for Press Queen.

Plays were also time-consuming for Gerri, as she acted in Junior and All-School Plays.

Gerri has participated in the "A" Band for the past six years and has been a Twirler, Head Major-ette, and Band Queen, and held the office of Secretary during her membership.

Scholastically, Gerri has received Student Council Awards in Typing II and Journalism. She also received class scholarship for all three years.

Journalism or public relations are Gerri's fields of interest and she plans to pursue them at OSU or The College of Wooster.

PRIDE OF THE SENIORS

One of the highest honors a junior boy or girl can receive is to be selected for Oklahoma Boys State and Girls State. Now seniors, these four represented Putnam City: Kay Burton, Charles Gifford, Sharon Thomas, and Russell Hartenberger.

These two Pirate wrestlers, Sandy Harris and Roger Bonham, represented Putnam City well at the state wrestling tournament by winning individual state championships, Sandy at 115 pounds and Roger at 148 pounds. In addition, Sandy was named outstanding wrestler in the tournament and will travel to Japan this summer as a member of an all-star team from Oklahoma and Colorado.

Senior tackle and co-captain Bob Watts was selected to the very exclusive All-State football team.

JUNIORS PLAN FOR FUTURE

The Junior class is accredited with many outstanding achievements and an ample supply of talent. Their many activities, including the Junior Play and the Junior Assembly, are under the direction and supervision of their class officers and sponsors.

During this year they find time to make plans concerning their future. What college they will attend suddenly becomes important to them and they realize the importance of a good education. The Junior year is also the year for choosing the style of the long awaited class rings, which they will receive next year.

Chosen to direct the activities of the Junior Class are: Louisanne Huckabee, Secretary-Treasurer; Jimmy Angelo, President; and Gordon Elkins, Vice-President. The sponsors are Mr. Cole, Mrs. Pearson, and Mrs. Sandlin, who is not pictured.

Polishing Pete the Pirate does not come under class projects, but these people have other activities that have gained recognition for their personalities and abilities. Elected as best citizens are Beth Harris and Phil Lemmons. Most popular boy and girl are Mike Potter and Susan Freeland.

SOPHOMORE CLASS CONTRIBUTES TO GROWTH OF SCHOOL

These happy and energetic sophomores are the class favorites. Marlene Winkler and Terry Baumeister were the choice for popularity while Janie Slusher and Glenn Robinson rated high among the students for the title of citizenship.

In eager anticipation of another year of highschool life the sophomores were very industrious indeed. Some of their many activities included the presentation of the class assembly and the annual picnic in the Spring. They also had a very high scholastic rating and were the backbone of many school and athletic activities.

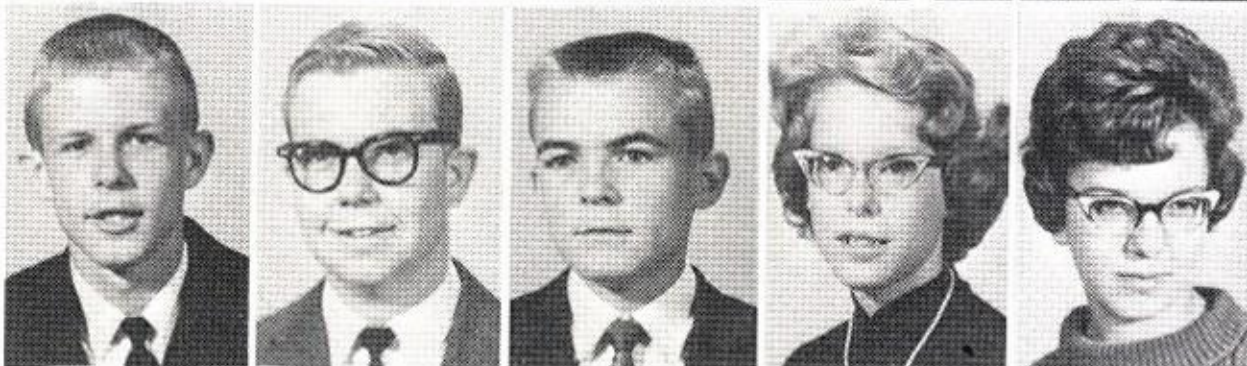

As the school year draws to a close, the Sophomore class can look back upon it as a good year both socially and academically. With two years remaining, the Class of 1964 will have an important part to play in the further growth of Putnam City High School.

The officers and sponsors led the class very ably and wisely this year. They are Judy Buttry, secretary; Terry Craig, vice-president; Mr. Boydston, Mrs. Campbell, Mr. Hamilton, sponsors; and John Hutchins, president.

FRESHMEN MEET HIGH SCHOOL CHALLENGE

Constituting the largest class for this year and the largest Putnam has had is the Freshmen. They contribute their time and many talents to help make Putnam a well-balanced school. Electing officers and having a class picnic are the activities of the Freshmen. With more years to come before graduating we hope they benefit fully.

Discussing their future activities and problems with sponsors Mrs. Mosley, Mrs. Batson, Mrs. Card, Mrs. Smalley, Mr. Coley, and Mr. Holcomb are the officers of the Freshman Class. They are: James Ellis, President; Betsy Burton, Vice-President; and Patty Hulsey, Secretary-Treasurer.

Gathering at the library to inspect the new books are Freshmen Class Popularity Ginger Goodrich and Larry Bagby, and Class Citizenship Darlene Bush and Terry Giager.

These ten seniors exemplify the emphasis placed on scholastic work at Putnam. Ranking tops in their class, they represent the senior class just as do the outstanding freshmen, sophomores, and juniors.

Putnam City's chapter of the National Honor Society is one of the more popular organizations and membership has been steadily climbing.

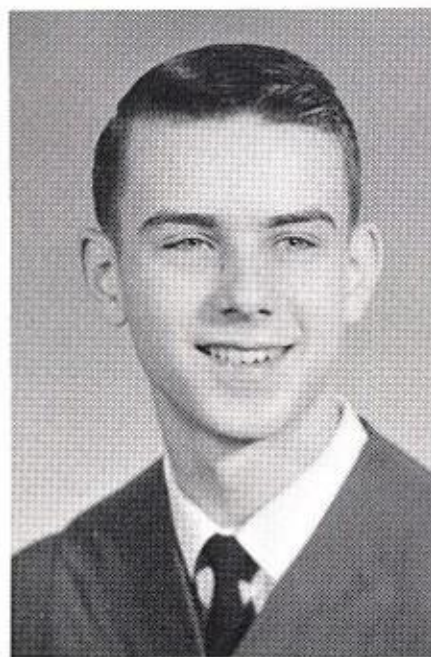

For the past fourteen years Putnam has participated in the Edmond Scholastic Meet, where we have placed first in sweepstakes for thirteen years of those fourteen. We are proud of this record and appreciate the students' hard work.

To Tom,

You are a real swell guy of whom I think alot
of. We have been friends for a long time.
I hope we will be friends for a long time
more. Your personality was A+ but now
it is even better. If it keeps on getting
better you might get stuck up. So stay
the way you are now. And bet your
life you'll be a big success in the
years to come. And whether you believe
it or not in your own ways you are
a "living Doll". And what you lack in
looks is made up for in personality.
Well I guess I better quit writing and
do my Science. May God Bless
and Keep You
